EL BARRIO DE
LA PILARICA

Cada una de nuestras piezas están bocetadas para respetar y disfrutar de tu individualidad brindando un homenaje a la arquitectura de este lugar, respetando sus tonos vibrantes, materiales, historia y cultura mexicana.

En un lugar con muchísima tradición, respetas su arquitectura, queremos que sea un lugar para San Miguel, que sea parte de su cultura, de su tradición... Que tengas un nuevo despertar en San Miguel de Allende.

Un homenaje a la arquitectura.
